amended by the Job Creation and Worker Assistance Act of 2002 to the extent the amount deducted relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent the amount deducted exceeds the amount that would have been deductible pursuant to Section 168 of the Internal Revenue Code of 1986 as in effect on January 1, 2002;

- (4) The amount of any deduction that is included in the computation of federal taxable income for net operating loss allowed by Section 172 of the Internal Revenue Code of 1986, as amended, other than the deduction allowed by Section [172(b)(1)(G)] 172(b)(1)(F) and Section [172(I)] 172(h) of the Internal Revenue Code of 1986, as amended, for a net operating loss the taxpayer claims in the tax year in which the net operating loss occurred or carries forward for a period of more than twenty years and carries backward for more than two years. Any amount of net operating loss taken against federal taxable income but disallowed for Missouri income tax purposes pursuant to this subdivision after June 18, 2002, may be carried forward and taken against any income on the Missouri income tax return for a period of not more than twenty years from the year of the initial loss; and

The amount subtracted pursuant to this subdivision shall be reduced by any interest on indebtedness incurred to carry the described obligations or securities and by any expenses incurred in the production of interest or dividend income described in this subdivision. The reduction in the previous sentence shall only apply to the extent that such expenses including

74

75

amortizable bond premiums are deducted in determining the taxpayer's federal adjusted gross income or included in the taxpayer's Missouri itemized deduction. The reduction shall only be made if the expenses total at least five hundred dollars;

- 58 (2) The portion of any gain, from the sale or other disposition of property 59 having a higher adjusted basis to the taxpayer for Missouri income tax purposes 60 than for federal income tax purposes on December 31, 1972, that does not exceed 61 such difference in basis. If a gain is considered a long-term capital gain for 62 federal income tax purposes, the modification shall be limited to one-half of such 63 portion of the gain;
- 64 (3) The amount necessary to prevent the taxation pursuant to this chapter 65 of any annuity or other amount of income or gain which was properly included in 66 income or gain and was taxed pursuant to the laws of Missouri for a taxable year 67 prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose 68 death the taxpayer acquired the right to receive the income or gain, or to a trust 69 or estate from which the taxpayer received the income or gain;
- 70 (4) Accumulation distributions received by a taxpayer as a beneficiary of 71 a trust to the extent that the same are included in federal adjusted gross income;

 - (6) The portion of capital gain specified in section 135.357 that would otherwise be included in federal adjusted gross income;
- (7) The amount that would have been deducted in the computation of federal taxable income pursuant to Section 168 of the Internal Revenue Code as in effect on January 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant to Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002;
- (8) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. - 91 activities in such zone, and on or before the date designated by the President by
- 92 Executive Order as the date of the termination of combatant activities in such
- 93 zone;

- 94 (9) For all tax years ending on or after July 1, 2002, with respect to
- 95 qualified property that is sold or otherwise disposed of during a taxable year by
- 96 a taxpayer and for which an additional modification was made under subdivision
- 97 (3) of subsection 2 of this section, the amount by which additional modification

 - 285.425. 1. Notwithstanding any provision of law to the contrary,
- 2 it shall be unlawful for any person to discharge or in any other manner
- 3 discriminate against an employee because the employee has made a

- 5 earned family and medical leave benefits.
- 6 2. (1) Any person who violates the provisions of subsection 1 of
- 7 this section shall be liable to any employee of such person who is
